

# Procurement and Delegation Policy

## Pony Club Victoria

### 1. Purpose

The policy applies across all levels of the PCV organisation and does the following:

- Defines levels of delegated authority and provide guidelines on its application across PCV;
- Establish the levels of authority delegated to duly appointed PCV Officers, employees and contractors;
- Details authority to incur expenditure and administer funds;
- Clarifies financial accountability and responsibility for the day-to-day operations of PCV for the Board as well as the members;
- Establishes a framework to safeguard the use of PCV funds;
- Ensures the Board as well as employees and contractors of PCV are provided with the financial authority necessary to discharge their duties and responsibilities;
- Ensures internal controls and compliance with relevant delegations are adequately maintained and followed;
- Provides authorising delegating limits for contracts and agreements and parameters when they fall inside and outside of budgeted parameters.

### 2. Background/Scope

PCV is a not for profit organisation that functions using a combination of remunerated positions, contractors and some designated committee positions as well as voluntary service capacity

This policy applies to all Board of Directors, employees and contractors of PCV

The Schedule of Delegation below outlines and includes authorisation and approval limits for the following:

- Authority to approve operating and capital expenditure;
- Banking and Finance;
- Invoicing and Debtors;
- Human Resources and Payroll;
- Travel, including Interstate travel;
- Authority to enter contracts, and
- Other specified authorities.

### 3. Principles of Delegation

All financial delegations for delivery of adequate office function are subject to the approved annual budget allocation.

Any items outside the approved budget must be referred to the Board or CEO irrespective of quantum.

**All Delegations are subject to any overriding federal/state legislation (need to check this)**

Consideration must be given to risks and internal controls when exercising a delegation.

The delegation of authority is unique to a specified position (or to a person acting in that position) and is not transferable.

## Pony Club Victoria

Monetary amounts (excluding GST) as stated in this policy are the **maximum** delegated amounts per transaction.

All expenditure is to be approved considering availability of funding within budget and expense area.

Approval must not be made for any self-related matters- these include expenditure or reimbursement to self, certifying own invoices, or amendments to salary packaging.

All amendments, changes and deletions to the specified delegations within this policy must be approved by PCV Board of Directors.

### **4. Agreements or Contracts**

Agreements and contracts that may infer legal rights and liabilities may include the following:

- Agreements for the provision of goods and services- operational leases, computer services, software agreements etc;
- Agreements for the receipt of goods and services;
- Engagement of consultants or agreements relating to consultants;
- Approval of transfer of assets;
- Approval of leases;
- Licences to use PCV assets;
- Memoranda of Understanding.

Contracts outside of the approved budget/over the delegated limit must be approved by the Board of Directors.

Contracts within the delegated authority limits and parameters of the approved budget is outlined in the Schedule of Delegations (section 6)

### **5. Provision of Services – Maximum Threshold Values**

Where there is no approved supplier(s), the requirement as set out in Table 1 must be satisfied

The Threshold Values are to be applied on the anticipated total expenditure, accumulated over the total term of a contract, are in AU\$ and are exclusive of GST

Evidence of the requirements and assessment of value for money is required to be documented and submitted with the request for a Purchase order. The requirements for demonstrating a competitive, fair and transparent process and the corresponding values at which the thresholds apply are set out in Table 1 below:
