## **BULLETIN | Extension of Club Affiliation until the 31 DEC 2021**

At its meeting of 14 May 2020, the Finance and Risk Sub-Committee reviewed Club Affiliation membership.

Current Club Affiliation membership expires 30 June 2020 and all clubs have already been sent information for renewal for the 2020/21 affiliation year presently ending 30 June 2021.

The sub-Committee determined affiliation for 2020/2021 will now be in effect from the 1 July 2020 through to 31 December 2021. This is an extension of 6 months at no extra cost for affiliated clubs.

Member clubs do not need to take any action, the extension is automatic.

Member clubs that have not yet re-affiliated for 2020/2021 are still required to complete the affiliation process, available through your MyPonyClub.

Please contact the State Office should you require further information or assistance.

Yours sincerely

Rick Gill
